

Since 1976, the **Canadian Institute of Marine Engineering (CIMarE)** has used **Mari Tech** as an invaluable tool in providing a high quality professional development experience for marine professionals involved in Naval, Governmental and Commercial shipping and ship-building operations. **Mari Tech** is where Canadian marine professionals and service suppliers learn and explore new industry concepts, or hone established ones.

Attached to the conference, is a marine exhibition of technical service and equipment providers. **MARI TECH 2018** is an ideal networking opportunity, in a welcoming environment of dedicated professionals, from all sectors of the marine industry.

Plan to attend as a delegate, sponsor, exhibitor, presenter or volunteer; more information available on the conference website:

**WWW.MT18.CA**

*The **Canadian Institute of Marine Engineering (CIMarE)** is a national, non-profit organization, tasked with representing and promoting the Marine Engineering profession in Canada.*

*Numerous dedicated professionals and related organizations volunteer their resources at the National Council, local branches, and professional events such as **MARI TECH**, for the benefit of the institute's membership, the marine and Marine Engineering community at large.*

*If you are a marine professional, or an organization involved in the profession, please consider joining us.*

*honing the leading edge*

**Technical Conference  
and Exhibition for  
Marine Professionals**

**April 18 - 20, 2018**  
**Victoria, BC, Canada**

Presented by the  
Vancouver Island Branch  
Canadian Institute of Marine Engineering

## Mark your calendars

**MARI TECH 2018** conference and exhibition will be held April 18-20, 2018, at the Victoria Conference Center, Victoria, BC, Canada. The conference is open to CIMarE members, non members, and all marine professionals and their organizations.

The CIMarE's Vancouver Island Branch is hosting this year's MARI TECH, which has occurred annually, since 1976. The branch has hosted many conferences over the last 20 years, earning consistent positive reviews from attendees, sponsors, and exhibitors.

Past conferences and exhibition have traditionally been very well received by the community; if you are interested in participating as a presenter, sponsor, exhibitor and attendee, now is the time to express your interest. The organizers anticipate...

- 350 conference delegates
- 26 speakers
- 20 technical presentations
- 70 exhibitors
- 30 sponsorship opportunities

Visit [www.mt18.ca](http://www.mt18.ca) for details on how to participate at **MARI TECH**, 2018's premier marine professional event in Canada.

### Technical Presentations

**MARI TECH 2018** is above all, a technical conference, featuring a rich array of relevant technical presentations by competent professionals in their respective fields. This year's theme is:

#### *Honing the leading edge*

If your firm is on the leading edge of marine technology, and would like to share it with a technical presentation featured at the **Mari Tech 2018**, we welcome you to submit a brief abstract for consideration. January 20, 2018 is the deadline to submit a synopsis of your presentation, to be considered for inclusion in the conference program.

### Sponsorship Opportunities

Sponsors are invaluable in providing a high quality experience, for all attendees of this major event on the marine community's calendar. **MARI TECH** reaches the highly specialized marine professionals involved in naval, governmental, commercial, shipbuilding, operations and their service suppliers. Sponsorship is a great way to showcase your firm's commitment to these professionals and their work.

### Exhibition Hall

Booths and table top displays, featuring industry leading equipment and service providers will be presented in the Exhibition Hall during the conference. We expect one of the largest marine exhibition in MARI TECH's history, so don't delay in claiming your space.

### Evening Social Event

On Thursday, April 19, an evening social event will be held. A unique opportunity to network and socialize among peers, while enjoying West Coast cuisine and libations, in a superb setting.

### Accommodations

Victoria is a seasoned tourist destination, and the Victoria Conference Center is at the heart of it all. Ample hotel accommodations are available nearby, with a limited block of rooms reserved for conference participants.

### Registration

Tickets available online at [www.mt18.ca](http://www.mt18.ca). Delegate tickets include attendance to the technical conference presentations, the marine exhibition, breakfast, lunch and beverages served during health breaks. A 15% Early Bird discount is available for tickets sold before **February 1st, 2018**. Additional fees will be applied to registrations completed on site, the day of the conference. Exhibitor and Sponsorship opportunities are available, information is on our website.
